Agenda

● Welcome: members and audience
● Introduction
● Questions-comments
● Presentation
● Stakeholder discussion
● Group discussion
● Summary and next steps
Please Email to:
reopeningroundtable@sayvilleschools.org

Our stakeholder representatives have prepared questions and comments with information gathered from their constituents.

We also welcome input from the audience. Your questions, concerns and comments will be incorporated into tonight’s discussion.

Any items that we are unable to address tonight will be included in a District FAQ that will be posted on the District Website.
Priorities

- Health and Safety
- In-person instruction
- Resume in-person extra curricular activities
- Athletics
- Minimize disruptions & continuity of instruction
- Protect those with health vulnerabilities
Guidelines

- SCDHS
- NYS DOH
- NYS Education Department
- CDC
Data

- Suffolk County % +:
  - $\frac{8}{16} = 5.6\%$
  - 7 day = 4.0\%
- Parental preference:
  - $\frac{2}{3}$ prefer choice
  - $\frac{1}{3}$ mandatory
- Staff (pending)
- Various new outlets: Significant numbers of schools in the south (who opened earlier this school year) have had to close or place large numbers of students on quarantine
Suffolk County Data as of 8/17/21
Contrast

- June 15, 2021 = .04%
- August 17, 2021 = 4.0%
- CDC Guidance was “masks recommended”
- CDC Guidance now “masks required”
Health and Safety

- Multi-layered approach
- Protecting students, staff, visitors especially most vulnerable
- Rigorous cleaning and disinfecting
- Ventilation
- Hand hygiene and respiratory etiquette
- Physical distancing will be observed to the extent possible (typically 3 feet or more)
- Consider voluntary testing
- CDC, DOH, NYSED Guidelines: Universal mask wearing while indoors
- Stay home when sick
- Masks not required outdoors
- Health screener and temperature is no longer necessary
Transportation

- Transportation will be provided for all eligible students
- Buses will follow normal routes and stops
- Masks will be required as per NYSED and NYSDOH
Working with SCDHS

- Quarantining
- Cohorting and seating charts
- Contact tracing
- Reporting positive cases
- In the event of Covid Related School Closure: District is developing plans to provide instruction in accordance with NYSED Guidelines
Items for discussion

- Schools opening in-person instruction Sept. 9, 2021
- Students to follow typical starting times and schedules, what will this look like?
- Availability of classes, co-curricular activities, and athletics
- Provision of special area content rooms; specific plans
- Field trips
- Lockers
- Masks
- The District is developing plans to provide instruction if student quarantine is necessary
Discussion and Q&A

- Stakeholders will be invited to discuss their concerns and ask questions
- Questions and comments from the audience will be included in this discussion
- Questions and comments not covered this evening will be incorporated into future meetings and a FAQ document that will be posted on the District webpage
