

COVID-19 Screening Attestation Directions

Secondary students should complete this on a device (iphone, android or chromebook) and present the approval at entry.

Elementary parents should complete this before their child enters the building.

<https://entry.neric.org/sayvillesd>

Select a location from the drop-down menu

Select a sub-location from the drop-down menu
(choose the classroom teacher/room)

Select your role from the drop-down menu
(choose the Student option)

Provide an answer to questions 1 through 4

Please enter your child's first and last name,
followed by your email address, and hit Submit

The screenshot shows the 'COVID-19 Screening Attestation' form for Sayville Public Schools. At the top is the school's logo. Below it is the title and a paragraph explaining the purpose of the screening. A 'Screening Questions' section contains four numbered questions with radio button options for 'Yes' and 'No'. Below the questions are input fields for 'First name', 'Last name', 'Email', and 'Phone (Required if email not provided)'. A blue 'Submit' button is at the bottom. Red arrows from the text blocks point to the 'Location' and 'Sub-Location' dropdown menus, the 'Role' dropdown menu, the four screening questions, and the 'Submit' button.

If you answered NO to all four questions, you will receive an instant response indicating your child is approved to enter the building

If you answered YES to any of the questions, you will receive an instant response indicating your child is not approved to enter the building.
If this occurs, please immediately contact the principal and contact your health care provider for assessment and testing
