

SAYVILLE PUBLIC SCHOOLS

January 6, 2022

Dear Parents and Guardians,

Last night, updated quarantine information was provided from the Suffolk County Department of Health Services (SCDHS) provided school districts with updated quarantine information. As of today, we continue to follow the SCDHS guidelines listed in the below link for all Sayville Public Schools students:

<https://www.suffolkcountyny.gov/Departments/Health-Services/Health-Bulletins/Novel-Coronavirus/SCDHS-COVID19-Guidance-and-Services>

If you test positive for COVID-19 (Isolation):

Everyone, regardless of vaccination status:

- **Stay home for five (5) days after the day of your positive test, or onset of symptoms,**
- **If you have no symptoms, or your symptoms are resolving (no fever for 24 hours without use of fever, reducing medication and symptoms improving) after five (5) days, you may leave your house,**
- **Continue to wear a mask around others for five (5) additional days**

Note - If you have a fever, continue to stay home until your fever resolves.

If you were exposed to someone with COVID-19 (Quarantine):

If your child:

Completed the primary series of Pfizer or Moderna vaccine over six (6) months ago and are not boosted, OR, completed the primary series of J&J over two (2) months ago and are not boosted, OR, are unvaccinated:

- **Stay home for five (5) days. After that period, continue to wear a mask around others for an additional five days.**
- **Test on Day 5, if possible (either a rapid or PCR test is acceptable).**

If your child:

Has been boosted, OR, Completed the primary series of Pfizer or Moderna vaccine within the last six (6) months, OR, completed the primary series of J&J vaccine within the last two (2) months:

- **Wear a mask around others for ten (10) days.**
- **Test on day 5, if possible (Rapid, or PCR test).**

If you develop symptoms, you must test for a COVID-19, and stay home.

For individuals currently on a ten (10)-day quarantine:

You may follow the updated information listed above. If you meet the criteria listed above prior to the end of your ten (10)-day quarantine (no symptoms or your symptoms are resolving after five days), you can return to school. Please note: If your child returns to schools and is exhibiting symptoms, he/she will be sent home.

Thank you,
Dr. Stimmel
