

# Lincoln Avenue Elementary School

Lincoln Avenue will be participating in P.S. I Love You Day this year as part of Site-Based Team and SEL Committee initiatives to continue to foster kindness and anti-bullying in our school.

P.S. I Love You Day is part of a movement that spreads light on the importance of being kind to one another, eliminating bullying and promoting a positive mental health. It emphasizes the importance to be friends with someone who is different, to be aware of our words and actions, to reach out to someone who is lonely, and stand up for someone who is mistreated. To help spread the message and show that we are taking a stand, students and staff are encouraged to wear purple on Friday, February 14, 2020. Wearing the same color shows each other that we are united during difficult times. If you would like to check out more information about this day please visit: <http://psiloveyouday.net/>

As part of the week leading up to P.S. I Love You Day, students and faculty will be participating in kindness activities during the week.

- Students will attend a workshop with Coach Bolger and Mrs. Carluccio on how to use the Peace Path for conflict resolution.
- Students will be encouraged to engage in Random Acts of Kindness during the week.
- Positive messages will be shared with each other.
