STUDENT WORKSHEET

**TOMORROW
TOGETHER.**

Dear NYPD Harbor Unit,

I wanted to compose a letter for you just thanking you for everything you do for this city even with everything going on. You are the real heroes to me. You have inspired me to be a better person. You go to work everyday knowing you are risking your life and you still have no hesitation to keep this city and state safe or to save somebody for being hurt, so for that I thank you. Ever since I was a little boy I have always looked up to my father because I knew most of what he was doing to protect people he didn't even know, but now I look up to all of the Policemen and Women who have and are currently serving to keep this country safe. My brother and I have a Thin Blue Line flag hanging in our room and every morning I wake up to see that flag I think of the policemen who make this country better and it inspires me to be a better person.

Sincerely,
Zack
