

SAYVILLE HIGH SCHOOL BREAKFAST OF CHAMPIONS

THIS CERTIFICATE IS AWARDED TO:

Kalle Weik

I only became acquainted with Kalle this past September. Before school began, Kalle sent me a note telling me about herself, and sharing some concerns with me. I thought it was quite noble and mature of this young lady to contact me and make me aware of these personal challenges. Having had Kalle in Economics and now Government, I realize what an honor it is to know her. She is diligent, intelligent, hardworking, respectful and kind. Considering the fact that Kalle is only a junior and graduating early with the senior class can be daunting and intimidating, but she remains poised and steadfast. I am certain that Kalle's parents are proud of their wonderful daughter, and the positive morals and values they have instilled in her. It is an honor to teach such an ethical and humble young lady!
