

SAYVILLE HIGH SCHOOL BREAKFAST OF CHAMPIONS

THIS CERTIFICATE IS AWARDED TO:

Payton Sweeney

Earlier in the year, one of my 9th grade students went through a devastating tragedy. Payton lost her mom to cancer. I went to that wake and remembered how supportive, loving and caring Payton's family and friends were to her. Even during her grief, she was so gracious and thanked me and all those who attended with such style and grace. Payton is a special young woman. It's been a few months and I am sure the loss is still fresh in her heart, yet each day Payton comes to class with a smile eager to learn. She and I can communicate without even talking at times. I know she wants to do well and wants to make her mom proud. She is one of the sweetest students I have ever had the pleasure of teaching and by far one of the strongest. She is kind to all her peers and is always positive. I've seen her encourage others including myself. She is truly one of a kind and I know her mom is proud.
