

# SAYVILLE HIGH SCHOOL BREAKFAST OF CHAMPIONS

THIS CERTIFICATE IS AWARDED TO:

## Hunter Selts

In a society where so much emphasis is placed on numbers, there is so much worth that cannot be calculated and often what counts most cannot be counted and I see this each and every day with Hunter. I've had the pleasure of having Hunter as a student for the past three years and he continues to maintain an impeccable work ethic. Hunter will arrive to school early for extra help, ask another teacher for an additional worksheet and book so I can help him, give up his lunch to work on an essay and stay after tenth period to go over that essay one more time. In addition to the astronomical amount of effort with his academics, beyond the classroom, Hunter is always that student offering a helping hand – loading the vending machines, carrying boxes, hanging posters, running to the main office all while showing empathy and compassion to his fellow classmates and making them smile. I am truly enamored by Hunter's determination, perseverance, will to grow and kind heart.
