

SAYVILLE HIGH SCHOOL BREAKFAST OF CHAMPIONS

THIS CERTIFICATE IS AWARDED TO:

Ryan P. MacDonell

Sayville is the outstanding community that it is due in large part to the number of people who step up and play a role with the expectation of nothing in return. Our Fire Department, Historical Society, Cabinet for the Sick, School Board, service organizations and Village Improvement Society all play critical roles in the story of Sayville. Perhaps no single organization, however, provides the level of critical, ongoing service as the Community Ambulance Company.

For the duration of his senior year, Ryan has been spending up to eight hours a week in class, studying to become an EMT and volunteer with the Community Ambulance Company. On top of his academic responsibilities and his commitments as a three season varsity athlete, Ryan finds the time to serve his community and develop the skills to provide emergency and pre-hospital medical care for all of us. As his teacher, I am proud of him. As a resident of Sayville, I am incredibly grateful for his service.
