

SAYVILLE HIGH SCHOOL BREAKFAST OF CHAMPIONS

THIS CERTIFICATE IS AWARDED TO:

Aidan Kaler

Aidan is a 9th grader in my Global History class. This particular class is challenging because it's at the end of the school day, and many students are a bit wound up and find it hard to focus.

Somehow, in all of that chaos, Aidan remains calm, cool and collected. His friends try to distract him and persuade him to join in on their "shenanigans", but he simply ignores them and smiles. Aidan does not follow the crowd – he is independent and dignified. Some of Aidan's positive attributes are intelligence, conscientiousness, diligence, respectfulness, independence and kindness. Aidan's presence in my room at the end of the day gives me a sense of peace and purpose. His humble, unassuming ways and dignified presence do not go unnoticed, and that is why this young man is so deserving of this special honor.

Given this 17TH day of May, 2016
