SEPTA Kudos Awards...

Once again this year, we will take notice of the many wonderful acts made by staff members and students working in our schools. Whether it's offering words of encouragement or giving of one's personal time to support a student in need, no act is too small to be recognized. We ask that you help us in celebrating these staff members and students by nominating any individual that you feel impacts education in a positive way for a *Kudos* award or *Kudos 4 Kids* award.

This year we are excited to add a "Celebrating Strengths Award" to recognize students who demonstrate a strong work ethic and determination to succeed, no matter what their ability is. We feel that it is important to support persistence and self-confidence because they are traits that support success for students throughout their educational career.

Each month, nominated individuals will be announced in our newsletter and receive a certificate of appreciation or award at our SEPTA meeting.

We need YOUR help as we look for nominations from parents, employees, or community members.

Please send an email with your nomination to SayvilleKudos@gmail.com. Be sure to include the person's name, position if a staff member, school and a few sentences explaining why you are nominating this individual. We thank you for support!
